

## **Sorbitol Statement**

**SDM<sup>®</sup>12, Diluted Nitroglycerin USP  
(1.95% Nitroglycerin on Lactose Monohydrate)**

### **Manufacturing Facility:**

Copperhead Chemical Company Inc.  
120 River Road, Tamaqua, PA 18252

---

Please be advised that none of the starting materials or ingredients used for the manufacture of SDM<sup>®</sup>12 are derived from, or contain, the sugar alcohol sorbitol and therefore sorbitol is not expected to be present in the SDM<sup>®</sup>12 finished product.

Please feel free to contact me should you have any further questions. I can be reached via email at [dclarke@copperheadchemical.com](mailto:dclarke@copperheadchemical.com).

Sincerely,

Dawn Clarke  
Regulatory Affairs Manager
